THE
FOURTEENTH
ANNUAL REPORT
OF THE
FINANCES
OF THE
TOWN OF DORCHESTER.

FOR THE

Year ending February 1, 1852.

B O S T O N :
PRINTED BY DAVID CLAPP.....184 WASHINGTON ST.
1852.

1887

W. T. HARRINGTON

1887-1888

1887-1888

1887-1888

1887-1888

SELECTMEN'S REPORT.

At the close of another financial year, it becomes the duty of the Selectmen to make a detailed report of the receipts and expenditures of the town during the past year.

The amount of money received from various sources, it will appear in the auditors' report, is \$37,045 77. The amount expended is \$34,761 06. Leaving a balance in the treasury of \$2,284 71.

Of the amount expended, \$3,159 19 has been for the support of the Alms House. This establishment is in a flourishing condition. The inmates have generally been healthy, and every thing has been done to make their condition as comfortable and happy as possible. The number of paupers in the house on the 1st of February, 1851, was 20. During the year 43 have been admitted, 33 discharged, and 6 deaths have occurred; leaving 24 inmates at the present time. Of this number, 8 are foreigners. The remainder belong to the town.

When we reflect that the population of the town is about 8,000, and that the number of poor in the Alms House, including foreigners, is so small, we feel that we may reasonably congratulate ourselves upon the industry and frugality of our citizens.

The subject of selecting a new site for an Alms House has been under consideration, but no place has yet been selected.

The High Ways are generally in good condition. In repairing them, due attention has been given to improving the side walks in different parts of the town. It is believed that more labor can be advantageously bestowed upon them in future.

The storm and high tide which occurred last spring were very destructive to Commercial Street—carrying away all the railing, displacing the sea-wall in many places, and washing away large quantities of gravel. Upon examining the bridge, we found it to be rotten and unsafe for loaded teams. The draw was also in the same condition. We were therefore obliged to repair it with new timber and plank. A sea-wall has been constructed on both sides of the street, in the vicinity of the bridge, of the most solid and durable quality; and in doing this, we have made use of the teams kept at the Alms House. The street has been raised about 18 inches higher than it was before, which will tend to protect it from the washing of the tides in future.

Although the expenditure for these repairs has far exceeded the appropriations made for the purpose, we feel that the money has been necessarily and profitably expended; and when the wall on the easterly

side shall be completed, it is believed that there will be no occasion for future expense upon the road for many years, beyond the ordinary repairs. An appropriation of \$500 will be necessary for this purpose.

The report of the Selectmen to widen Humphrey Street was accepted by the town, upon condition that the award made by the Selectmen, to the abutters, should be final for all damages occasioned by taking land to widen said street. The award was made, and a bond was given, by a responsible gentleman, to pay all damages, if any over the amount. The same gentleman, with great liberality, expended a large sum on his own account in improving and ornamenting the street. Although there was no appropriation made for this expense, the Selectmen have widened the street, and graded it the whole width, in accordance with the intent of the vote in the acceptance of the report at the last April meeting.

A new street, leading from Washington to Ashmont Street, has been contracted for and nearly completed. An obligation, from a responsible individual, for the sum of \$300, is held by the Selectmen, to be paid when the work is finished.

During the past year various burglaries have been committed in different parts of the town. In accordance with a petition from many of the citizens, the Selectmen employed for a time a number of individuals to patrol the streets by night for the public safety.

It is recommended that a few lamps be erected at

the corners of some of the prominent streets. They would be serviceable to travellers, and should a night watch be necessary at any future time, would be a great convenience to them in the discharge of their duty.

OLIVER HALL,
WILLIAM TOLMAN, } Selectmen of
EDWARD KING, } Dorchester.

Dorchester, January 31, 1852.

RECEIPTS

OF TOWN TREASURER FROM ALL SOURCES.

1851-52.

CHARLES HOWE,
Treasurer of Dorchester.

The undersigned, having carefully examined the Treasurer's accounts, hereby certify that we find them to have been correctly kept and properly vouched. His receipts for the year ending February 1, 1852, have been \$37,045 77 ; his disbursements during the same time were \$34,761 06 ; leaving a balance in the Treasury of \$2,284 71—as will appear by the foregoing Report.

Respectfully submitted.

ROBERT VOSE,
EDWARD JONES, } *Auditors.*
EDWARD PIERCE, }

DORCHESTER, FEB. 20, 1852.

To the Selectmen of Dorchester.

GENTLEMEN,—I see, by your last year's Report, a statement of the number of persons in the town, between the ages of 5 and 15 years, is appended ; and I here furnish you with the same kind of statement for the school year 1851-2, as taken by myself.

Very truly and respectfully,

O. PUTNAM BACON.

FIRE DEPARTMENT.

Chief Engineer.—EDWARD JONES.

Assistants.—ROBERT RICHARDSON, CHARLES HUNT, SAMUEL J. CAPEN, SYLVESTER W. HEBARD, GEO. L. FISHER.

REPORT OF THE CHIEF ENGINEER.

To the Selectmen of Dorchester.

GENTLEMEN,—The third annual report of the condition of the Fire Department is presented for your consideration.

From February 1, 1851, to February 1, 1852, there were eight alarms from fires in the town, and seven from fires out of town. Engines were used at five fires; two were extinguished with buckets, and one had so nearly consumed the building before it was discovered (a barn belonging to Stephen Liversidge, Esq.), that no efforts were made to extinguish it.

The Boston Fire Department has rendered valuable assistance at three fires at Washington Village.

The estimated amount of loss has been \$5,740, and insurance \$3,320—an increase over the preceding year of loss, \$4,540; and insurance, \$2,195.

The general expenses, exclusively under the Board of Engineers, have been \$767 82.

Two of the Engines have been new painted, and all of them, with their apparatus, are in good order and ready for use. One hundred and seventy-five feet of leading, and twenty-three feet of suction hose have been purchased.

There are three Companies at the present time, viz.

Fountain, No. 1.—Joseph W. Sloan, *Foreman*; Geo. S. Esty, *Assistant Foreman*; Gustavus E. Haynes, *Clerk*; E. A. Smith, *Steward*.

Independence, No. 5.—James B. Hill, *Foreman*; Andrew Collins, *Assistant Foreman*; Noah D. Allen, *Clerk*; James W. Dickey, *Steward*.

Tiger, No. 6.—James H. Upham, *Foreman*; Andrew Sumner, *Assistant Foreman*; Charles A. Upham, *Clerk*; Ralph Ware, *Steward*.

The other Engines are in the care of competent and faithful men, who keep them in good working order.

The usual table of fires, &c. is appended.

Respectfully submitted,

EDWARD JONES.

Fires, Alarms, &c. from February 1, 1851, to February 1, 1852.

The number of births in the several school districts in the Town of Dorchester, in 1851, as ascertained by Horace S. Shepard, is as follows, and also a comparison with the preceding year.

	1851.		1850.	
	Males.	Females.	Males.	Females.
School No. 1,	22	15	15	12
“ 2,	28	22	17	22
“ 3,	10	8	13	11
“ 4,	17	20	14	24
“ 5,	35	20	20	14
“ 6,	5	8	9	6
“ 7,	3	1	1	5
“ 8,	8	14	12	10
“ 9,	12	13	8	6
“ 10,	21	16	21	32
Squantum,	0	1	0	0
	<hr/> 161	<hr/> 138	<hr/> 130	<hr/> 142
	138			130
	<hr/> 299			<hr/> 272
Excess of males,	23		Excess of females,	12.

Of these, there were 8 pairs of twins in 1851—none in 1850.

Respectfully submitted to the Selectmen, by

HORACE S. SHEPARD.

DORCHESTER, FEB. 23, 1852.

APR 9 1938
